

Box Sequence  
Commissioner for Patents

**REMARKS**

Enclosed herewith is a computer readable (CFR) copy of the sequence listing, wherein information relating to SEQ ID NO:11 has been amended as requested. Furthermore, the source of the material has been specified, as requested. Finally, SEQ ID NOs:22 and 23 have been deleted as these sequences were not found in the application. Consequent to this deletion, the first paragraph on page 22 has been amended accordingly.

Also enclosed herewith is a paper copy of the sequence listing in substitution of the one currently on file, together with a Declaration to the effect that both copies of the sequence listing are identical and do not introduce any new subject matter.

In the event that there are any questions concerning this amendment or the application in general, the Examiner is respectfully urged to telephone the undersigned so that prosecution of this application may be expedited.

No additional fees are believed to be necessitated by this amendment. However, should this be an error, authorization is hereby given to charge Deposit Account No. 19-5113, reference 2139-22US, for any underpayment or to credit any overpayment.

Respectfully submitted,

October 14, 2005
